

DESIGN MIAMI/ PARIS

October 17 – 22, 2023

Hôtel de Maisons

51 rue de l'Université, 75007 Paris

Room 1

For the 1st edition of Design Miami/ Paris, **GALERIE PATRICK SEGUIN** will present a selection of **JEAN PROUVÉ**'s furniture, among the most emblematic of his designs.

Exhibited against the sumptuous decor of the Hôtel de Maisons, will feature a rare Présidence desk and a sculptural Direction no. 353 swivel office chair. Wholly original, the desk is formed of a wide top curving into an L-shape, beneath which is fixed a metal drawer unit with exceptional patina. The Direction chair, composed of a metal structure linking the swivel base to the leather backrest, combines comfort and aesthetic.

An exceptional set, from the same provenance, comprising a S.A.M. no. 506 table and its four Métropole no. 305 chairs – in Van Dyck brown lacquered metal – will also be shown. Targeting the domestic market as a new opportunity, **JEAN PROUVÉ** designed a table with splayed triangular legs arranged around a central base so as not to obstruct guests. This extraordinarily well-preserved set combines creativity and practicality.

Founded in 1989, **GALERIE PATRICK SEGUIN** is located in Paris' Bastille district, in a 300m² space designed by Jean Nouvel (Pritzker Prize 2008). The gallery has brought to light the talent of French designers such as **JEAN PROUVÉ, CHARLOTTE PERRIAND, PIERRE JEANNERET, LE CORBUSIER** and **JEAN ROYÈRE**.
